\$175.00 for Eight Hours of Test Prep

MAMB is offering an 8 (eight) hour test prep course to prepare for the NMLS national test for licensure in Helena, Montana at the Howard Johnsons on April 15, 2010. As you know, all current licensees have to pass a national test to continue as a licensed loan originator in Montana. MAMB has arranged for an eight hour test prep course to assist industry members in preparing for that test and we have arranged for a group reservation at one of the testing facilities in Helena for April 16, 2010 so that your trip to Helena for training can cover both the training and the testing.

MAMB is delighted to offer this test prep course to its members and non-members but as you know times are tough. If we have not registered a sufficient number of attendees **by March 31**, we will cancel the test prep course in order to save the Association the loss of any deposits or initial outlays.
